

Summer Camp 2009

Dear BSA Parent/Guardian:

During your son's stay at Fort Steuben Scout Reservation there may come times when he will need some over the counter medications. We, the professional nursing staff, would like to have your permission to administer these medications to your son, in non-emergency cases. We will use nursing discretion and judgement at all times.

Please circle the medications that we are allowed to give to your child. We reserve the right to use generic forms of these medications.

Thank you very much in advance.

The Health Lodge Staff

- | | | | |
|------------------|-----------------|------------------------|-------------------|
