Off Camp Activity Registrations

Off camp activities may also require release forms signed by a scout's parent/guardian. Please ensure that scouts who intend to participate in these programs are given copies of the release form to take to their parents. Some of the activities may require that you make arrangements at the week-before-camp-meeting. See the Special Activities section in the Scoutmaster's Guide. Use one copy of this form for each activity.

Circle the activity: COPE GOLF BUCKEYE TRAIL

Name
